## TRAININGS

### Ethical Hacking

INTERNSHIP STUDIO, Online

Jan 2022 - Feb 2022

The internship was on online mode and it spanned over a period of 5 weeks. The first 3 weeks was a training period where I was taught about basics of ethical hacking, concepts like reconnaissance, scanning a domain for information regarding a website, checking for any vulnerabilities in the website by manual scanning and automatic snacking with the help of tools like Nessus. I was also trained on how to use Burpsuite and Nmap . Also there was a hands on of MITM attack and android hacking.

## PROJECTS

### Event Management
